YOUR LOCAL FRIEND

Hi! I'm Sanja – founder of Hvar House.

My story with this island began back in 2008, and it was love at first sight.

Already on that first visit, something told me: Hvar feels like home.

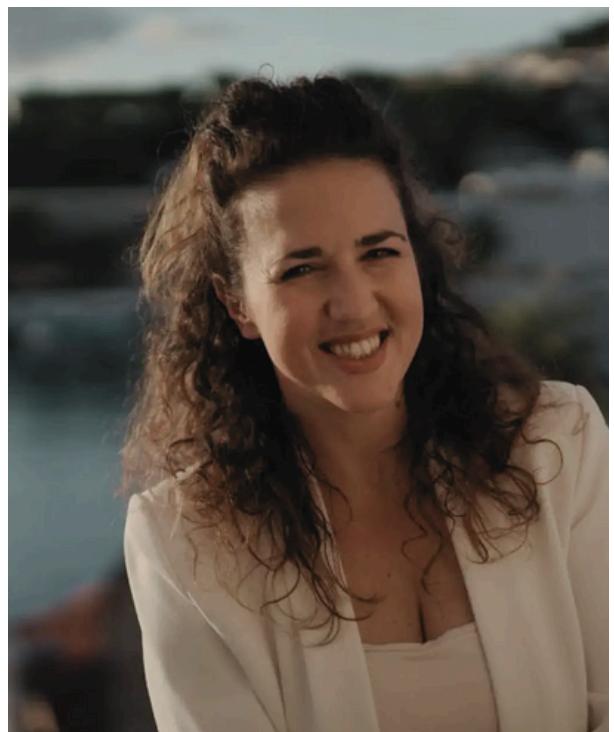

More than a decade later, I'm still here – and proud to say our team has been trusted with managing some of the most beautiful homes on the island for over 10 years.

We know Hvar inside out, and we're here to open every door for you – so you feel not just welcome, but truly at home.

You might not stay forever like I did, but chances are... you'll be back.

And when you leave – you'll leave as a friend of Hvar.

See you at the harbor!

Explore the best of Hvar

Let the island welcome you with open arms and sun-drenched shores. Feel the rhythm of slow mornings by the sea, the warmth of family-run wineries tucked away in the hills, the charm of timeless villages where every stone tells a story. Taste olive oil pressed with care, sip wine poured by hands that have harvested for generations, and breathe in the scent of lavender carried by the wind.

In Hvar, elegance is in the details: a rooftop garden in bloom, the laughter of locals over coffee, a dinner table lit by candlelight and starlight.

And authenticity? You'll find it in the smile of a fisherman at sunrise, in the hands of a grandmother rolling pasta dough, in the silence between two waves crashing gently on the shore.

This is a place for barefoot evenings, for clinking glasses at sunset, for stories that unfold slowly and stay with you long after you've left.

HVAR TOWN BEACHES

BONJ LES BAINS

Just a short stroll from the main square, Bonj is more than a beach – it's a piece of Hvar's history. As the town's first official bathing area, it still carries that timeless charm. Located right next to Hotel Amfora, it's open to both hotel guests and visitors seeking a refined beach experience.

POKONJI DOL

The largest beach on the southern side of Hvar Town. Just a 3-minute drive or a pleasant 15-20 minute walk from the center, it's a favorite for families – with lots of space, free parking, and calm waters.

Stop by Mustaco Restaurant, where cheerful hosts and local specialties await. And if you're up for a walk, follow the shaded seaside path to reach the laid-back Pachamama bar and the more secluded Robinson beach.

Falco bar

HULA HULA

For those who live for the energy of summer – music, cocktails, and the most beautiful sunsets over the Adriatic. Popular, vibrant, and always full of life, Hula Hula is a must for sunset lovers.

FALCO BAR

A hidden gem for those who prefer a slower rhythm. Simple, authentic, and welcoming – a great little beach bar and restaurant where you can easily spend the whole day just soaking it all in.

HVAR TOWN AREA 10 MINUTES AWAY

MILNA

Just a short drive from Hvar Town, Milna is a charming little village with two beaches – Velika and Mala Milna. Our personal favorite? Mala Milna – a peaceful bay with crystal-clear water and an untouched, authentic vibe. There, you'll find two completely different dining experiences: Mala Milna Restaurant offers simple, traditional dishes in a relaxed setting, while Notos brings a refined, elegant touch just steps from the sea.

ZARACE

A scenic bay split into two sides, each with its own character. On the right is Malo Zarace, a calm and quiet cove with a laid-back beach bar, perfect for slow, sun-drenched afternoons. On the left, Velo Zarace feels more open and vibrant, home to Restaurant Gego – a favorite among locals for its rustic charm and friendly atmosphere.

DUBOVICA

Often ranked as the best beach on Hvar by travelers, and it's easy to see why. Just before the tunnel, you'll likely spot a row of parked cars – a sign you've arrived. Leave your car at the top and follow the steep path down to the bay. The walk might take a bit of effort, but the reward is pure magic: a deep, pebbled cove with turquoise water and postcard-perfect surroundings. Don't miss Duba Beach Bar tucked into the shade – known for some of the best mojitos on the island. The host is a dear friend, and you'll feel like part of the family the moment you arrive.

Yes, it's a journey – but one that ends with one of the most memorable beach days on Hvar.

PAKLENI ISLANDS

STIPANSKA

Home to the iconic Carpe Diem Beach Club, Stipanska brings a touch of Adriatic luxury. By day – laid-back lounging, cocktails, and swimming in crystal-clear waters. By night – exclusive events under the stars. A true jet-set favorite.

MLINI AND ZDRILCA

A short water taxi ride from Hvar Town takes you to this relaxed duo of bays – ideal for families and those craving tranquility. Gentle waters, peaceful beaches, and Open Relax Massage just beside Mamato Bar make it perfect for unwinding.

Stipanska, Carpe Diem

JEROLIM

For true nature lovers, Jerolim is a peaceful FKK island retreat. Part of the beach is dedicated to nudists, but it's open to all who seek simplicity, freedom, and that pine-scented Mediterranean calm. No frills – just sea, shade, and serenity.

PALMIZANA

The furthest island beach from Hvar Town, and a regular stop on Blue Cave tours, Palmižana is famous for its turquoise bay and bohemian vibe. It's often busy mid-season – but worth it. Enjoy signature cocktails at Laganini Beach Bar, or relax with a more casual lunch in the shade at Bacchus Restaurant.
